A MESSAGE FROM DR. DONNA ASHER

Vice Chancellor for People and Culture

Investing in Employee Satisfaction and Engagement

In my UNT System Enterprise message disseminated on January 26, 2023, regarding our shared values, I concluded with a statement that “I promise to do all I can to help make our UNT System a place where you want to work.” To fulfill this promise, I find it imperative that we invest our time and efforts in our supervisors, or more aptly called people managers. As we venture further into our first UNT System Enterprise Strategic Plan, it has become clear that to be successful, we must build and grow highly skilled and empathetic people managers. After all, we entrust these individuals with a very precious and important responsibility of supervising our most valued and important asset – our people. I share this [message](#) to give you notice to ‘be on the lookout’ for special programs and initiatives, including both mandatory and voluntary opportunities, for people managers in the coming months.

HSC’s Adebola ‘Serah’ Sulaiman named student regent

The University of North Texas Health Science Center at Fort Worth graduate student Adebola ‘Serah’ Sulaiman was appointed by Gov. Greg Abbott to serve as a student regent for the University of North Texas System. The second-year physician assistant graduate student will serve a one-year term.

Sulaiman will represent the interests of all students within the UNT System while attending and participating in Board of Regents meetings and serving on task forces and committees.

“I want to make an impact on students’ education and be part of the process of ensuring they can be successful no matter where they came from,” Sulaiman said.
