### HR Important Notice From Employee Retirement System of Texas (ERS) Clarification Regarding Texas Senate Bill 222

UNT System employees who recently received a 2023 Summer Enrollment packet from the Employee Retirement System of Texas (ERS) should have also received a two-page handout entitled **Summary of Legislative Action on ERS Programs and Operations**. Included on the first page of the handout is information about Texas Senate Bill 222, which establishes paid parental leave for certain State of Texas employees.

It has been verified that employees working for institutions of higher education are not currently eligible to receive this benefit. For more information regarding employee leave benefits and eligibility requirements, please visit the [UNT System Employee Leave webpage](#) or email [HRbenefits@untsystem.edu](mailto:HRbenefits@untsystem.edu).
