Duo Enrollment Required

All UNT System Enterprise faculty, staff, and student workers are required to enroll in DUO by Feb. 2, 2024. Effective Feb. 2, 2024, myhr.unt.edu and myfs.unt.edu authentication will require multi-factor authentication (MFA). DUO is a multi-factor authentication tool, which adds an additional layer of security to verify user identity at login.

If you are not currently enrolled in DUO, you will receive a separate email with detailed enrollment instructions. Any other questions can be directed to the IT Help Desk at ithelp@untsystem.edu, or call 940.565.HELP (4357).

A final reminder to participate in Season of Giving 2023!

UNT System institutions have created a volunteer program for each of our employees who are interested in living our values and volunteering to “help at least one person every day.” Now through Dec. 22, employees may volunteer their time, up to half a workday, for a 501(c)(3) organization(s) of their choice. The time must be approved by their supervisor. Employees eligible to participate in the volunteer program must be in a regular position that normally accrues vacation and/or sick leave. Full-time employees are eligible for four hours of volunteer time; part-time employees’ volunteer time will be prorated. Please download this form to have volunteer time certified and approved.
