*A detailed breakdown of FY20 rates and coverage is available on the [ERS site](#).

**PROCESS UPDATE:**

**New ePar Process for Relocation Payments**

Due to a change in federal tax law, relocation payments are now taxable as compensation. Relocation payments include stipends that cover an employee’s pre-move house-hunting costs, as well as the costs of the move itself. Going forward, departments should process employee relocation payments by ePar, according to each institution’s policies or procedures on relocation payments. UNT System has discontinued the use of purchase orders and/or vouchers to reimburse relocation costs. Please see your respective campus HR team if you have any questions on the new process.

**GALLUP SURVEY:**

**Results to be Released June 17**

Thank you again to everyone who participated in our 2019 Gallup Employee Engagement Survey. Results for each campus will be available Monday, June 17 for each manager or supervisor who had four or more team members complete the survey. You may access your survey results on the portal (my.unt, my.hsc, my.untdallas, my.untsystem), and click on the Employee Engagement pagelet. Additional resources will be available soon to assist teams with interpreting
their survey data and creating action plans based on the results. Questions? Please contact your campus HR team.

IMPORTANT DATES:
