HR Highlights is the Official Newsletter of UNT System Human Resources. If you have an HR question or topic you’d like covered in the newsletter, please email HR@untsystem.edu.

New Faces in HR

Melinda Lilly
Senior Director of Compensation and Performance Management

Melinda Lilly started at UNT as a student worker in HR at UNT in 1996, and has never left. Over the last 23 years, she has worked in various compensation, HR generalist, and Academic Affairs jobs at UNT, most recently serving as Director of Academic Resources, but has finally found her way back ‘home’ to HR. Melinda has both a BBA and MBA from UNT in Organizational Behavior and Human Resources. She lives in Corinth with her husband Lance and two of her three kids, Jonathan (a sophomore at Guyer High School) and Noah (who is 2 - ‘nuff said), their dog Max and bearded dragon T-Rex. Her oldest son, Matthew, is currently a sophomore at Texas A&M. Melinda is very excited to join the HR team and partner with our campuses to develop effective compensation strategies and performance management tools.

Procurement
The University of North Texas System now has a preferred vendor list for executive hiring. Now when you want to engage an agency in a retained search, there is no longer a need to go to RFP and wait 4-6 weeks for results. We've done that work for you, so just pick the agency you would like to use and prepare a requisition.

The executive preferred vendor list provides a wide variety of executive search agencies to choose from and all have extensive higher education search experience.

You can choose any of these agencies:

- Academic Search, Inc.
- Buffin Baker
- Greenwood Asher
- Harris Search Associates
- Isaacson Miller
- Ogden Berndtson
- Peak Performers
- R. William Funk & Associates
- Storbeck Pimentel
- Wheless Partners

Please contact the Procurement team for pricing and terms.

Benefits

Employee Assistance Program

Our Employee Assistance Program (EAP) offers free and confidential help to employees at all locations as it relates to family, legal or financial issues, as well as substance abuse or other stressful events. EAP programs are available to retirement-eligible employees, retirees, household members and dependents.

Employees may self-refer to EAP, or managers may refer an employee. EAP consultations (up to six per year per personal session) are free and confidential.

To access programs and services, users must create an account with Alliance Work Partners.
How to Log In

- Select Access Your Benefits.
- Complete the required registration fields – you may use any email, work or personal, to register.
- Enter the registration code AWP-UNT-384.

Or, the self-referral number is available 24 hours, every day: 800-343-3822.

EIS Outage Reminder

Please plan ahead for an outage to all EIS self service portals beginning **THIS FRIDAY Friday, September 20** until **Monday, September 22** while upgrades to the EIS Student System are installed. The outage will include time keeping and human resources functions for UNT System faculty and staff through the employee portal.

In coordination with functional stakeholders at UNT, UNTHSC, UNT Dallas and UNT Dallas College of Law, UNT System IT Shared Services will upgrade the EIS Student System beginning at 5 p.m. on Friday, September 20, 2019. The system will be back up and available for use by 8 a.m. on Monday, September 23.

Please be aware of the following information:

- Please note that students, faculty and staff will **not** have access to their EIS Self Service portals while the upgrade is being performed.
- Once the upgrade to the EIS Student System is complete, **all employees from all institutions** will only be able to access the EIS Employee System (employee portal) at my.untsystem.edu. This will be a permanent change. There will be a link to the employee portal if you find yourself on the wrong page.

This upgrade will enhance performance on mobile devices, while improving overall functionality. Please mark your calendars for the outage as we upgrade our systems.
The Organizational Development & Engagement (ODE) area of Human Resources provides learning and development opportunities to promote employee engagement. ODE staff aim to help create a productive and successful organization that uses best practices to attract, develop and retain employees.

Enroll in Upcoming Training Sessions Today!
(click course titles to register)
