**YOUR BENEFITS: Summer Enrollment is Open.**

Summer Enrollment started for UNT Dallas, UNTHSC, and UNT System on July 6 and goes through July 18!

Have you watched the Summer Enrollment video? The video provides a helpful overview and is available now. You can also attend an open Q&A session with HR Benefits team members to ask questions about your benefits.

**Have no changes to your benefits elections for next year? There is no action needed on your part, if you have no changes for the new plan year.**

If you need to make changes to coverage elections (like adding optional insurances such as dental, changing dental plans, adding dependents, etc.), log in to the ERS portal to make those changes during your summer enrollment period. If you have never used the portal, you can register here.
Changes will be effective September 1. Find additional information on the Summer Enrollment page. Your HR Benefits team is available to help: HRBenefits@untsystem.edu

Note: Summer Enrollment for UNT ends this Saturday, July 11.
