Gallup Engagement Survey to Launch October 2020.

Given the challenges all of us are facing due to coronavirus, it is more important than ever for our leaders to listen to the UNT World community.
With that in mind, the Gallup Engagement Survey will launch in October for all UNT System institutions and UNT System Administration. This fall’s survey will not be an exercise in accruing points or competing for better internal scores. The inquiry is intended to provide a voice to the faculty and staff who are fulfilling UNT World’s important missions.
