How to Access Performance Module

• Via employee portal link: https://my.untsystem.edu; go to PeopleAdmin section and select the link for Performance Management

• Or go to: https://jobs.untsystem.edu/portal

• Log-in with EUID and Password

• All supervisors and employees can access system
You may also access the employee portal through the PeopleAdmin System at https://jobs.untsystem.edu/hr. When in PeopleAdmin, simply select UNT System Employee Portal after clicking on the three dots in the top left corner.
The Home screen gives you a list of items that require you to take an action, this will include tasks related to your own evaluation and for supervisors, this will also include tasks for those you supervise.
The Performance button repeats the My Reviews and My Employees’ Reviews links found on the left side of the screen.

Clicking the Go to UNT System HR Site takes the user out of the employee portal and back to the Applicant Tracking System or Performance Management module.

The Log Out button ends the PeopleAdmin session requiring the user to sign in once more in order to access the system.

Navigation (cont.)
Selecting the My Reviews link allows employees to view their own evaluation, as well as the status of the review. This is also where employees will be able to view evaluations which have already been completed within the PeopleAdmin System; click on the View Review link to access them.
Clicking on the My Employee’s Reviews link takes you to the Reviews Dashboard which lists all employees, along with what stage of the employee evaluation they are currently on.

The available pre-filtered tabs are:

1. All Reviews
2. Not Started
3. In Process
4. Complete
5. Overdue

*Please note that the Disputed tab will not be used*

Supervisors may also use the available search filters in order to more quickly locate employee evaluations.
To begin the evaluation process, the employee will navigate to the available action items through the Home screen or by selecting the “My Reviews” link and clicking on the open evaluation program.

2. **Supervisor Approves Objectives and Key Results** – the supervisor reviews and approves the attached OKR worksheet along with the objectives and key results which have been entered into the system.

3. **Performance Check-In** – supervisor advises employee of initial progress towards achieving objectives and key results and makes any necessary adjustment.

4. **Self Evaluation** – employee rates self on goals and objectives.

5. **Supervisor Evaluation** – supervisor rates employee.

6. **Second Level Supervisor Approval** – second level supervisor indicates agreement with the content of the evaluation.

7. **End of Year Review meeting** – supervisor and employee meet to review the supervisor evaluation.

8. **Employee Acknowledges Evaluation** – employee acknowledges receipt of evaluation materials and score.
HSC Objectives & Key Results Achievement

Delivered Key Results (Summary Measure of Overall Performance)

The delivery of the established objectives and key results will be assessed based on the attached OKR worksheet and subsequent OKRs which will be copied into the system. OKRs will account for 65% of the overall evaluation score for all employees. These can be further broken down into Individual or optional Team OKRs.
HSC Global Objectives

1. Showed Initiative
2. Demonstrated Functional Knowledge and Skills
3. Maintained a High Level of Trust with Department Customers
4. Behaved in a Collaborative Manner
5. Communicated Effectively with Others

Global objectives will make up 35% of the overall evaluation score for all employees.
The employee will be notified via email that there is a task open for them to act on within the system. The employee will then log in and select the relevant task link to from the action list found on home screen.
Establish Objectives & Key Results (cont.)

Tab 1: Read through the instructions and attach the OKR worksheet using the “Progress Notes” link. See Appendix for more information on Progress Notes.
Establish Objectives & Key Results (cont.)

Tab 1: After attaching the OKR worksheet in Progress Notes (see Appendix), copy the objectives and key results into the appropriate section for assessment as well as the specific targets to be achieved. You can designate team objectives (optional) with a (T). If additional OKRs need to be entered, select the add entry button. Once all OKRs have been entered select “Save Draft” if you wish to review or make edits or “Save & Continue” to move to the next tab.

**OKRs account for 65% of the overall score**

For each objective, it is acceptable to enter multiple key results and targets into the appropriate field below the objective field. You can designate individual key results or targets within the field by listing them numerically (i.e. 1. Key result one, 2. Key result two) or by placing a - or * in front of each item.
Establish Objectives & Key Results (cont.)

Tab 2: Scroll down to view the factors that will be used to evaluate global objectives. If you wish to review your entered information, select “Save Draft” otherwise select “Complete” to finalize this step.

**There are 5 global objectives, each one lists the expected behaviors for achievement for both supervisors as well as non-supervisors. Global Objectives account for 35% of the overall score**
Once the employee has entered the established OKRs and targets into the system, the supervisor will receive notification via email the following morning.

The supervisor will log into the employee portal and select the relevant Action Item link in order to access the OKRs which were entered.
The supervisor will begin by reviewing the entries made within the Individual Objectives & Key Results Achievement section. Once satisfied that the entries made are the agreed upon OKRs, the supervisor will scroll down to view the other entries.
The supervisor will be able to review all factors used to assess as the global objectives. Note – these are not editable by the supervisor nor the employee.

The supervisor will then scroll to the bottom of the page in order to complete the task. They will be able to enter comments, return the form to the employee for any revisions, or acknowledge the step in order to move to the next task. If revisions are needed, select “Return.” If the form is approved, select “Approve” to complete the task.
Multi-Rater Feedback

A supervisor can request performance feedback from other UNT World employees.

The supervisor will click on “Multi-rater Feedback” in the left menu and select the “Invite Multi-rater” link.

Enter the name of the person or persons to be invited, check the box by their name and click the “Save” button.

The Multi-rater will receive an email notifying them of the request and they can access the multi-rater form through their performance portal Home page.
Multi-Rater (cont.)

Once a Multi-rater has been added to an evaluation, the Multi-rater feedback will be listed as an action item and can be found on the Home page when the Multi-rater logs into the portal.
The Multi-rater will enter all comments/feedback within the available “Comments” box, there is no need to add a new entry. They will then have the option of saving as a draft for further review using the “Save Draft” link, or they may select “Complete” to conclude the multi-rater feedback.
To view the Multi-Rater feedback, the supervisor will select the employee’s name from the left menu under the Multi-Rater feedback drop-down list.

The supervisor will then be able to see any comments made by the Multi-Rater.

Multi-rater comments are only visible to the supervisor and the multi-rater, employees are not able to access these comments.
Co-Reviewer

Adding a co-reviewer allows the supervisor to identify another individual who can perform all the same evaluation steps as the supervisor. This function can be utilized if another reviewer is to have full feedback capabilities to the employee’s evaluation. The co-reviewer has the ability to perform all the same steps as the supervisor.

To add a Co-reviewer, the supervisor will click on the “Add Co-reviewer” link on the right panel.

A Co-reviewer can be added at any point prior to the completion of the Supervisor Evaluation.

It must also be noted that the Co-reviewer and the supervisor will be sharing the forms allowing only one of them to make the final submission.

This might be used for someone who has a split reporting relationship or someone who recently transferred to a new job. The supervisor and co-reviewer will need to discuss who will be responsible for completion and submission of the evaluation steps. Note that only one person can submit the supervisor evaluation by clicking complete. Otherwise, save as draft then notify the co-reviewer that there is a pending action item for them to complete. The supervisor or co-reviewer may also add attachments by selecting the attachment link.
Performance Check-In

Supervisors are required to have periodic meetings with all employees to assess and give feedback on progress towards achieving objectives, key results and tasks.

The supervisor will be notified via email that there is a task open for them to act on within the system. This can also be accessed from the “Home” screen; the supervisors will select the relevant evaluation link for the specific employee.
Supervisors will be able to review the objectives and key results which were entered for the review period by scrolling down the page. They can then enter comments to indicate progress towards meeting these targets. Progress notes (see Appendix) can be utilized to enter additional details. Once the supervisor has met with the employee and given them an update on their progress, they will select the “Acknowledge” button to indicate that the meeting has taken place. If OKRs need updating, the supervisor should reach out to the Compensation and Performance Management team (kareem.crosgale@untsystem.edu or stacie.fredrickson@untsystem.edu) for assistance.
Complete Self-Evaluation

Once the performance check-in has concluded, the employee will then be required to complete their Self-evaluation.

The employee will select the relevant task link from the list of actions to begin the Self Evaluation.
The employee will review the tab instructions and then scroll down the page to begin their self evaluation. As they progress through the different tabs, they are able to reference the instructions at the top of the page.

**Tab 1 (Objectives & Key Results Assessment):** After scrolling down the page, the employee will indicate if they have met their key results for each objective using the drop-down menu.

**OKRs make up 65% of the overall evaluation score.**
Complete Self-Evaluation (Cont.)

Tab 1 (Objectives & Key Results Assessment Cont.): After scrolling down the page, the employee will select a rating from the drop-down menu reflecting their overall performance of their OKRs and provide relevant feedback.

Select “Save Draft” if edits are required before finalizing or select “Save and Continue” to move to the next tab.

**OKRs make up 65% of the overall evaluation score.**
Complete Self-Evaluation (Cont.)

**Tab 2 (Global Objectives):** On the second tab the employee will scroll down the page, selecting a rating for each global objective and provide appropriate feedback regarding performance in each area. Employees may also add supporting documentation including an updated OKR worksheet by selecting the “Attachments” link. Select “Save Draft” to review or edit the information before finalizing or select “Complete” when all entries have been completed. This can be done by clicking the buttons at the bottom of the page or using the “Actions” drop down menu found at the top of the page.

**There are 5 Global Objectives, and they make up 35% of the overall evaluation score**
Complete Supervisor Evaluation

Once the self evaluation is complete, the supervisor will be notified via email. The Supervisor will select the Supervisor Evaluation task from the home page to begin the Supervisor Evaluation. When completing the evaluation, supervisors are encouraged to review the self evaluation, progress notes and any collected multi-rater feedback to aid in the evaluation process.
The supervisor will review the tab instructions and then scroll down the page to begin the employee’s evaluation. From the left menu, they will be able to access the self-evaluation as well as any multi-rater feedback (this can also be done by selecting the overview ink). As they progress through the different tabs, they can reference the instructions at the top of the page.

Tab 1 (Objectives & Key Results Assessment): After scrolling down the page, the supervisor will indicate if the employee has met their key results for each objective using the drop-down menu.

Supervisor Evaluation (Cont.)

Tab 2 (Global Objectives): On the second tab the supervisor will scroll down the page, select a rating for each global objective and provide appropriate feedback regarding the employee’s performance in each area. Supervisor’s may also add supporting documentation by selecting the “Attachments” link. Select “Save Draft” to review or edit the information before finalizing or select “Complete” when all entries have been completed. This can be done by clicking the buttons at the bottom of the page or using the “Actions” drop down menu found at the top of the page.

** There are 5 Global Objectives, and they make up 35% of the overall evaluation score**
The Second Level Supervisor (the supervisor’s supervisor) will log in to the employee portal and select the appropriate action from the list on the Home screen. The Second Level Supervisor will receive an email notification indicating that the action is awaiting their attention within the system.
The employee’s evaluation score can be found at the top right side of the screen.

The Second Level Supervisor will view the overall rating (top right section of the screen) scroll through the page to review all the selections made and the feedback given by the supervisor.
After reviewing all the entries which have been made, if the second level supervisor agrees with the evaluation, they may enter an optional comment and click the “Acknowledge” button. If they are not in agreement, they can click the “Return to Supervisor” button with appropriate comments for the supervisor to revise the review.
Once the second level approval has been completed, the Supervisor will be notified via email of the next task that requires their attention. They will log in and select the task from the list of action items to complete the End of Year Review Meeting.
Before clicking on the “Complete” button, the supervisor should schedule time with the employee to review and discuss the Supervisor Evaluation. If the overall evaluation score is “Does not Meet Expectations”, a Campus HR representative should be consulted before the meeting with the employee. This is also the step to initiate discussions for developing OKRs for the next review period.
Employee Acknowledges Evaluation

Once the End of Year Review Meeting has concluded, the employee will receive an email notification directing them to complete the next task. The employee will log in to the portal and select the final task to conclude the process.
Employee Acknowledges Evaluation (cont.)

The overall rating can be viewed on the top right side of the page. The employee can review the content of the evaluation by scrolling to the bottom of the page. Add any optional comments if desired and click on the “Acknowledge” button to indicate receipt of the evaluation.
Once the employee submits their acknowledgement, all tasks and action items are complete for this evaluation. All steps in the task list will have a green indicator and there will be no more action items pertaining to this evaluation.
Appendix
Features of Performance Module

• Supervisors can access review information for all direct reports in one location, including status of all evaluation steps.

• Second-level and higher managers (department heads, deans, VPs, etc.) can access review information for all employees within their organizational structure.

• Automatic notifications will be sent via email as program tasks open, become due, or are overdue.

• Progress notes and attachments can be easily stored within the system.
Rating Structure

• 3 – Exceeds Expectations – Performance exceeds established objectives on a regular basis; exhibits a degree of excellence in accomplishing individual and department goals beyond the normal job requirements.

• 2 – Meets Expectations – Performance meets established objectives and fully completes normal job requirements.

• 1 – Does Not Meet Expectations – Performance of established objectives is inconsistent; meets some of the minimum requirements of the position, but needs to improve performance in other areas.

Please note that any score other than a 2 on an individual goal or job duty requires comments/justification.

If an employee receives an overall score of 1 – 1.4 (Does not Meet Expectations), please meet with Campus HR before conducting employee meeting.
Additional Reviewers

• The system allows for feedback from other UNT World employees
  • Co-Reviewer – Use this function if another reviewer should have full feedback capabilities to the employee’s evaluation. This might be used for someone who has a split reporting relationship or someone who recently transferred to a new job during the last year. The supervisor and co-reviewer will need to discuss who will be responsible for completion and submission of the evaluation steps.
  • Multi-Rater – Use this function to invite feedback from other UNT World employees (customers, peers, etc.) on the employee’s performance. The multi-rater has no access to read or edit the employee’s evaluation.
Progress notes can be added at any time during the evaluation process and allow the supervisor as well as the employee to document achievements and/or important occurrences throughout the year.

To add a progress note, click on the “Progress Notes” link in the main menu, then click the “Create Progress Note” button.

It is highly encouraged that supervisors add progress notes detailing mid-year and year-end conversations. Notes should include a brief overview of the progress the individual has made towards their goals.
Progress Notes (cont.)

Progress notes may either be shared between the supervisor and employee or they may be set to be only viewed by the employee or supervisor who entered them. To share a progress note, click the “Share the Progress Note” button.

Supporting documents may also be added to progress notes by clicking the “Attachment” link.

Click “Create” in order to add the progress note.
Progress Notes (cont.)

Clicking on the “Progress Notes” link also allows you to view any progress note(s) created by or shared with the individual.
