Frontline Supervisor

Why are EAPs considered a means to help supervisors manage stress? Does this refer to our self-referral to the program to help ourselves or does this refer to the mechanics of EAPs and how they remove the burden of managing difficult or troubling employee behavior?

Getting the Most Out of Your EAP

Strong utilization is achieved with regular promotion through several key steps. By building awareness of the EAP resources early, employees become familiar with the services and are more likely to use them.

Managing the Challenge of Change

recorded 10/21/2020

Whether changes happen gradually or abruptly, the people in your organization will always need some time to adapt. Planning for and supporting your employees' responses is critical to a successful and timely transition to the new reality.

Staff development is an ongoing demand for most organizations. To have the best talent, it is important to develop your existing employees and retain them by offering professional development opportunities. AWP has a long history of helping organizations establish a healthy work environment that engages employees to do their best work.

At Alliance Work Partners, the well-being of your employees and families, and the health of your organization, is our primary concern. As your Employee Assistance Program, our mission is to provide you with support, resources, consultation, education, on-site counseling and debriefings.

We are available to you 24 hours a day, 7 days a week:

1-800-343-3822

TDD 800-448-1823

We encourage you to circulate newsletters, blogs, content and benefit information to your management teams and employees as well as remind them to take advantage of the many resources available via your HelpNet Benefit / EAP Website.

Contact your Account Manager at AM@alliancewp.com for PDFs and/or additional topics | content | information.
