

Where's My ID Card?

You don't need one!

Active employees and dependents will not receive an ID card.

Simply tell your dental office that you receive benefits through **Delta Dental Insurance Company** from **Employees Retirement System of Texas (ERS)** and provide your **name** and **birthdate** or **Delta Dental member ID number**. Be sure to keep this number for reference.

Got dependents on your plan? Tell them to provide your personal information or your Delta Dental member ID number, or their name and birthdate or their member ID number.

Want an ID card anyway?

Print one from your computer

- Go to **www.ERSdentalplans.com**.
- Create a Delta Dental online account.
- Log in and click on **Print ID Card**.

Use our app

- Download the **Delta Dental Mobile** app (by the Delta Dental Plans Association) from the App Store or Google Play.
- Create a Delta Dental account.
- Log in and select **My ID card**.

Attention retirees!

Retirees enrolled in an ERS dental plan receive Delta Dental ID cards in the mail. Please note, your enrolled dependents do not receive an ID card. They can provide your personal information or Delta Dental member ID number, or their personal information or their member ID number to their in-network dentist.
